Application Procedure

1. Return this application with the **\$350.00 deposit**. The deposit will ensure that a slot will be held for your child while the application process is being completed. If your child is enrolled, the deposit will be applied toward your child's tuition/fees.
2. Once the application and deposit are received, an appointment will be made for you and your child (*unless your child is currently a student*) with our school staff for an initial consultation. It is important you bring all relevant records with you to the meeting. At the time of the meeting, the records will be analyzed, additional information will be obtained, an interview with your child will be conducted and a detailed explanation about the summer program will be given. A determination will be made as to whether the program is appropriate for your child. If so, your child will be granted enrollment and your deposit will be applied to the tuition cost for summer school. **If the school does not accept your child for enrollment, your deposit will be returned; otherwise, the deposit is non-refundable. No part of tuition will be refunded if you decide to withdraw your child from the summer program. There is no discount for partial attendance.**
3. The balance (tuition cost less your \$350.00 deposit) of tuition is due by **May 10th**.

Option 1	<i>Tuition due if enrolled and paid in full by April 15th</i> \$865.00	<i>Plus Application/ Enrollment Fee/Deposit</i> \$350.00	<i>Total Tuition</i> \$1,215.00
